Dear Vivek,

I hope you are doing well. I would greatly appreciate it if you as **the external reviewer** of the *Corporate & Business Strategy Review* journal review the paper submitted to the journal (you may find it enclosed).

We expect to see a report (text) of 200-300 words describing the major issues of the paper including the conceptual fundamentals, literature review, research framework (if any) and paper results (conclusion) and general advice to accept the paper (with additional revision or not) or to be rejected.

You can use the form attached below for the report or provide your comments in a different form.

I would appreciate if you give me the feedback by **October 17**.

Please let me know if you will be able to review the paper.

Best regards,
Olha
