

MORGAN HACKS

Innovate | Create | Launch

To Whom It May Concern,

I am writing to formally acknowledge the pivotal role of Vivek Mishra as a judge at the 2nd annual MorganHacks Competition held on April 6th - 7th, 2024.

Vivek's involvement as a judge was instrumental in the success of MorganHacks. His expertise and insights significantly contributed to the evaluation process, ensuring the quality and fairness of the competition.

Here are further details regarding Vivek's participation in MorganHacks:

Event Name: MorganHacks

Event Date: April 7, 2024

Vivek's Role: Judge

Number of Participating Teams: 39

Total Attendance: 143 participants

MorganHacks is an annual hackathon aimed at fostering innovation and collaboration among students from various universities. This year, the event gathered a diverse range of participants, each showcasing their creativity and problem-solving skills to address real-world challenges.

Should you require any additional information or clarification, please do not hesitate to contact us. We are committed to providing any assistance you may need.
