

Date: 05/13/2026

Dear **Vivek Kumar Mishra**,

Ventechsoft INC is extremely pleased to offer you the position of **Software Developer** with the start date **05/25/2026**. This letter outlines the details of our offer, Ventechsoft INC is looking forward to offering you a great work environment to grow professionally.

Your initial position with the firm will be as a **Software Developer** in the professional services. Your responsibilities will include development and gather new requirements to establish methods to successfully implement integration services in the targeted environment(s) and support team Includes analysis, migration, and resolution to any technical challenges. Follow all organizational Standard Operating Procedures relative to cost modeling, approvals and reviews, and all other associated workflow and deliverables.

As a Software Developer, you will design, develop, and deploy software solutions. In your role, you will also provide consultation to our clients, helping them solve technical challenges and achieve their business goals. You will work with modern Artificial Intelligence tools like GitHub, Copilot and large language models to help speed up development, improve code quality, and build intelligent features.

Your role will also involve working closely with cross-functional teams to optimize performance and explore new ways to apply modern tech stacks. You will be expected to devote your full time, attention, and energies to the business of the Employer during your working hours.

You are expected to work **40** hours per week. You will be getting paid more than the minimum wage as per the current labor laws. Your salary will depend on your knowledge, skills and dedication. You will be reporting to Bimal Kumar Gupta at Ventechsoft INC. This employment will begin only if USCIS approved (CPT/OPT) status.

This offer will be effective from **05/25/2026** and employment is contingent upon satisfaction of the following condition: authorized to accept this internship under United States Bureau of Citizenship & Immigration services regulating governing Non-Immigrant Students (F-1) and Curriculum/Optional practical training (CPT/OPT) status.

Ventechsoft INC is registered and good standing with the U.S Citizenship and Immigration Services E-verify employment verification program. Our E-verify number is **1404189**

If you have any questions on this, you can contact me by email hr@ventechsoft.com or via phone +1 (732) 986-6623.

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Gupta", is positioned above the printed name.
