Dear Vivek,

I hope you are doing well.

I am writing to update you, I am using your publication, "Design Patterns for AI Agents: A Structured Approach to Building Robust and Intelligent Systems" (ISBN: 979-8268912371), into the curriculum for my students in the computer science at LNCT college for the 4th year students.

I am referring this work to get more insight into AI for the helpfulness of my students.

I would really appreciate your book.

Best regards,

Dr. Bhupesh Gour

Hi Dr. Gour,

That's great to hear! I'm glad the book is useful for the 4th-year curriculum.

Thanks,

Vivek
