Letter of Recommendation from Sumit Bhatnagar, Vice President of
Engineering

January 17, 2026

RE: Mr. Vivek Mishra's application for an EB-1A visa

To the USCIS Officer,

My name is Sumit Bhatnagar, and I serve as a Vice President in the Technology Division at JPMorgan Chase & Co. In addition to my role leading cloud platform engineering teams at one of the world's largest financial institutions, I am a Senior Member of the IEEE, a Fellow of the IETE, and a member of the Forbes Technology Council. Throughout my career, I have served as a judge for major industry awards and peer-reviewed over 100 research papers. I mention these credentials to assure you that my assessment of Mr. Vivek Mishra is based on a rigorous standard of technical excellence.

I have known Vivek since April 2024. While he did not report directly to me, his work on the Chase Shopping Hub has been a focal point for our division. As a Vice President observing the broader technology landscape within the bank, I have independently evaluated his performance. In an organization as large as JPMorgan Chase, it is rare for an individual engineer's contributions to influence other teams, yet that is exactly what Vivek has achieved. His work has been central to our ability to serve our digital customers reliably.

The Chase Shopping Hub is a major initiative designed to unify promotional offers for more than 80 million customers across our web and mobile platforms. When Vivek joined the project, the existing system faced significant challenges regarding scalability and cost efficiency. Vivek stepped into a high-pressure environment and took full ownership of the backend architecture. He operated with a level of autonomy typically reserved for senior technical leads, having full authority to make critical design decisions including system layout and resource allocation.

What makes Vivek's role so critical is the operational responsibility he carries. In this capacity, he had to make real-time decisions on cost controls and capacity planning. A misstep here could have resulted in significant financial waste or service outages for millions of users. Instead, Vivek demonstrated exceptional judgment and technical skill. He

introduced cost-control solutions for AWS that resulted in savings of around \$100,000. This level of financial stewardship combined with deep technical expertise for AWS resources is difficult to find and makes him a major asset to any organization.

From a performance perspective, Vivek's work transformed the user experience for our customers. The prior system suffered from slow responses, but Vivek implemented improvements that were remarkably effective. I reviewed the performance metrics myself, and his changes cut response times from 53 milliseconds down to 30 milliseconds—a 43% improvement. While this may seem like a matter of milliseconds, at our scale, this speed increase directly improved customer satisfaction by 15%. Furthermore, his redesign of our deployment processes reduced release cycles from days to mere hours, allowing the business to react to market changes almost instantly.

Beyond his direct contributions, Vivek provided technical governance for senior engineers. He established the standards for code quality and security that protected our systems. His influence extended even to senior leadership. I personally benefited from his expertise on cloud cost governance, and I have since applied the approaches he developed across my own teams. The successful launch of the platform saw zero downtime, a remarkable achievement given the scale and complexity involved.

What truly distinguishes Vivek is his ability to be a critical resource wherever he works. At JPMorgan Chase, he quickly became indispensable to the success of a platform serving 80 million customers. His unique combination of technical expertise, business judgment, and leadership capability makes him the type of professional that organizations depend upon for their most important initiatives. Given the current demands on the U.S. financial technology sector to modernize infrastructure while maintaining strict security and cost efficiency, professionals with Vivek's profile are essential and rare.

Vivek has proven his ability to solve complex, large-scale problems that directly impact the bottom line of a major American financial institution. His expertise in high-volume system architecture and his demonstrated track record of delivering measurable business results make him a critical asset not just for Chase, but for any organization fortunate enough to work with him.

It is without hesitation that I recommend Vivek for the EB-1A visa. He has established himself as a critical resource to JPMorgan Chase, and I am confident that he will continue to deliver significant benefits to the United States technology sector and any organization he works with in the future.

Sincerely,

Appendix: Systems Monitoring Activities and Cross-Border Transfers:

The following provides a summary of how JPMorgan Chase & Co., its affiliates and its subsidiaries and the entity that employs you, or for which you provide services (collectively, "JPMC"), conducts Systems monitoring. JPMC may conduct monitoring to the extent permitted by applicable law.

JPMC conducts monitoring of JPMC's physical facilities and its equipment and systems (collectively, the "Systems"). System monitoring applies to your JPMC equipment, your personal equipment when accessing the Systems, and the communications, information, and materials conveyed or accessed using the Systems. Monitoring activities may include the monitoring and logging of traffic and usage data of all electronic communications; monitoring of telephone calls to or from JPMC work telephones as permitted by applicable laws and subject to any required notices; monitoring of the contents of electronic communications, files, databases, applications, and internet usage; and logging hours worked and physical presence at JPMC's facilities if applicable. JPMC may at all times monitor, access, retrieve, record and review information obtained from the monitoring activities for various purposes, such as preventing and investigating activities that may violate JPMC's policies and ensuring compliance with legal or regulatory obligations. While conducting monitoring activities, JPMC may obtain and process personal information about you and others that may reside on the Systems.

The monitoring activities (including JPMC's collection and processing of personal or other information) are required for purposes of your employment or work assignment to promote adherence to applicable policies and regulations. Subject to applicable laws and regulations, if you object to this processing, JPMC may prohibit you from using the Systems; terminate offers of employment or work assignment; and, for employees, take disciplinary action against you, up to and including termination of your employment with JPMC.

JPMC may disclose the information it obtains in connection with monitoring activities to JPMC affiliates and to third parties, service providers, regulators, supervisory bodies, law enforcement and other government agencies. Information obtained from the monitoring activities may be used as the basis to take disciplinary actions, up to and including termination or other legal action, for violations of JPMC's policies or applicable laws.

In addition to the monitoring activities discussed above, JPMC may obtain and store other information related to your employment or other working relationship, such as your compensation information, performance information, benefits information and other workplace-related data. JPMC may transfer such information, and the information it obtains in connection with monitoring activities,

to countries other than the country in which the information originally was collected, including to the United States.

Understanding Obligations under the Firm's Personal Account Dealing Policy (PAD):

The Personal Account Dealing Policy (Policy) of JPMorgan Chase & Co. (firm or JPMC) is designed to help prevent and detect violations of securities laws and industry conduct standards and to minimize actual or perceived conflicts of interest that could arise due to personal investing activities.

PAD Compliance will notify you if the position you are being offered is considered to be subject to the Policy. You will remain subject for the duration of your time working in a subject group, unless notified otherwise of a change in subject status. Unless otherwise notified, you will continue to be subject to the provisions of the Policy even during leaves of absence from the firm, including, but not limited to, garden leave or medical leave.

You as well as your Connected Persons are subject to the provisions of this Policy and will need to be familiar with the obligations set forth in this policy. Connected Persons includes your spouse, domestic partner or minor children (even if financially independent) as well as anyone to whom you provide significant financial support or for which you, or anyone listed above, has or shares the power, directly or indirectly, to make investment decisions.

Once subject to the Policy, you must disclose and certify your Covered Accounts (which include accounts of your Connected Persons). You will be required to maintain your self-directed Covered Accounts with one of the firm's Approved Brokers and preclear all purchases, sales, pledges and gifts (received and given) of publicly traded and privately held financial instruments, unless listed as specifically exempt. Pre-approval confirmations must be received prior to executing the trade or investment. The firm may impose periodic restrictions on personal trading in certain financial securities. These restrictions can apply to all firm subject Workforce Members and their Connected Persons or may be limited to certain groups. Subject Workforce Members and their Connected Persons are not permitted to recommend or transact in the financial instruments of an issuer while in the possession of material non-public information (MNPI) regarding that issuer.

If you are a seasonal or short term employee the following requirements will apply:

JPMorgan Chase requires that seasonal workers refrain from trading in Covered Accounts for the time period that you are employed in a short term training program. Please verify that you will comply with the following personal trading requirements:

1. For the duration of the short term program I am joining I will not trade in any of my Covered Accounts
2. I understand that the Firm has the right to request account information for any of my Covered Accounts
3. If there is an extenuating circumstance that would compel me to place a trade in my Covered Accounts, I will obtain pre-approval of the trade by the Personal Account Dealing Group and I would be responsible for supplying all confirmations and statements to the Personal Account Dealing Group for that trade

*The term Covered Accounts refers to any securities accounts no matter where they are located and includes, but is not limited to, those accounts that are established, maintained or controlled (either directly or indirectly) by you, your spouse, domestic partner or minor children (even if financially independent), anyone to whom you provide significant financial support, and in which the employee

has a direct or indirect financial interest.

Global Personal Trading Policy:

The Personal Account Dealing of JPMorgan Chase & Co. is designed to help prevent and detect violations of securities laws and industry conduct standards and to minimize actual or perceived conflicts of interest that could arise due to personal investing activities. This Policy includes requirements for disclosing Covered Accounts, maintaining certain accounts at one of the firm's Approved Brokers, preclearing trades, and restrictions and prohibitions on certain types of trading activity. This Policy is subject to any applicable local laws and rules and should be read in conjunction with Supplements (regional/LOB) as well as the firm's Code of Conduct.

Intellectual Property Requirements:

I will promptly make full written disclosure to JPMC and hereby assign to JPMC, or its designee, all my right, title, and interest in and to any and all inventions, discoveries, creations, developments, concepts, ideas, processes, trademarks, trade secrets, logos, domain names, works, written or otherwise, or any other type of intellectual property, whether or not patentable or registrable under copyright or similar laws or able to be maintained as a trade secret, which I may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of time I am in the employ of JPMC, which are directly or indirectly related to the business of JPMC (collectively "Inventions"). I further acknowledge that all original works of authorship which are made by me (solely or jointly with others) within the scope of and during the period of my employment with JPMC and which are protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act. I understand and agree that the decision whether or not to commercialize or market any Invention developed by me solely or jointly with others is within JPMC's sole discretion and for JPMC's sole benefit and that no royalty will be due to me as a result of JPMC's efforts to commercialize or market any such Invention. I further agree to disclose in writing within 30 days of my start date any and all Inventions which were made by me prior to my employment with JPMC (collectively "Prior Inventions"), which belong to me in whole or in part, and which are not assigned to the JPMC hereunder; or, if no such disclosure is made within the requisite time period, I represent that there are no such Prior Inventions. If in the course of my employment with JPMC, I incorporate into a JPMC product, process, method, or machine a Prior Invention owned by me or in which I have an interest, JPMC is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license to make, have made, modify, use, and sell such Prior Invention. I agree to assist JPMC, or its designee, in every proper way to secure JPMC's rights in the Inventions and any copyrights, patents, mask work rights, or other intellectual property rights relating thereto in any and all countries, including the disclosure to JPMC of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments and all other instruments which JPMC shall deem necessary in order to apply for and obtain such rights and in order to assign and convey to JPMC the sole and exclusive rights, title, and interest in and to such Inventions, and any copyrights, patents, mask work rights, or other intellectual property rights relating thereto. I further agree that my obligation to execute or cause to be executed, when it is in my power to do so, any such instrument or papers shall continue after the termination of my employment with JPMC for any reason. If JPMC is unable because of my mental or physical incapacity or for any other reason to secure my signature to apply for or to pursue any application for any United States or foreign patents or copyright registrations covering Inventions or original works of authorship assigned to JPMC as above, then I hereby irrevocably designate and appoint JPMC and its duly authorized officers and agents as my agent and attorney-in-fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent or copyright registrations thereon with the same legal force and effect as if executed by me.

Acceptance and Code Affirmation:

Upon signing this letter I accept the terms and conditions described above.

I hereby affirm that I have read, understand, and am in compliance with the JPMorgan Chase ("JPMC") Code of Conduct and all internal JPMC policies that apply to me. I agree, as a condition of my employment, to remain in compliance with the Code of Conduct and all applicable JPMC policies.

I understand that I must conduct myself in a way that is consistent with the Code of Conduct, demonstrating compliance with the principles and intent of the Code of Conduct, and applicable laws and regulations.

I also affirm that I have reported any potential or actual violations of the Code of Conduct, JPMC policies, or laws or regulations applicable to JPMC's business, as required by the Code of Conduct. I understand that failure to do so can result in disciplinary action, up to and including termination of employment.

I understand that the Code of Conduct may be updated periodically, as necessary; and that the current version is posted on the JPMorgan Chase intranet as well as on its public website.

Independent Auditor Tax Services to Employees of JPMorgan Chase and its Affiliates:

To be in compliance with the Public Company Accounting Oversight Board (PCAOB) Rule 3523, it is JPMorgan Chase's (JPMC) policy that PricewaterhouseCoopers (PwC) cannot provide any tax services to employees of JPMC or any of its controlled entities (hereafter referred to as JPMC employee). This restriction is regardless of whether the individual is in a financial reporting oversight role or not, and whether PwC is engaged by the individual or by JPMC. PwC is also prohibited from providing any tax services to a spouse of a JPMC employee if the work is related to a joint tax return. Exceptions to this policy will be reviewed on a case-by-case basis and will require the approval of the JPMC Controller.

Binding Arbitration Agreement:

JPMorgan Chase believes that if a dispute related to an employee's or former employee's employment arises, it is in the best interests of both the individual and JPMorgan Chase to resolve the dispute without litigation. Most such disputes are resolved internally through the Firm's Open Communication Policy. When such disputes are not resolved internally, JPMorgan Chase provides for their resolution by binding arbitration as described in this Binding Arbitration Agreement ("Agreement"). "JPMorgan Chase" and the "Firm" as used in this Agreement mean JPMorgan Chase & Co. and all of its direct and indirect subsidiaries.

This Agreement will be governed by the Federal Arbitration Act ("FAA"), 9 U.S.C. section 1 *et seq.*

As a condition of and in consideration of my employment with JPMorgan Chase & Co. or any of its direct or indirect subsidiaries, I agree with JPMorgan Chase as follows:

1. SCOPE: Any and all "Covered Claims" (as defined below) between me and JPMorgan Chase (collectively "Covered Parties" or "Parties", individually each a "Covered Party" or "Party") shall be submitted to and resolved by final and binding arbitration in accordance with this Agreement.

2. COVERED CLAIMS: "Covered Claims" include all legally protected employment-related claims, excluding those set forth below in Paragraphs 3 and 4 of this Agreement, that I now have or in the future may have against JPMorgan Chase or its officers, directors, shareholders, employees or agents which arise out of or relate to my employment or separation from employment with JPMorgan

Chase and all legally protected employment-related claims that JPMorgan Chase has or in the future may have against me, including, but not limited to, claims of employment discrimination or harassment if protected by applicable federal, state or local law, and retaliation for raising discrimination or harassment claims, failure to pay wages, bonuses or other compensation, tortious acts, wrongful, retaliatory and/or constructive discharge, breach of an express or implied contract, promissory estoppel, unjust enrichment, and violations of any other common law, federal, state, or local statute, ordinance, regulation or public policy, including, but not limited to Title VII of the Civil Rights Act of 1964, the Civil Rights Acts of 1866 and 1991, the Age Discrimination in Employment Act of 1967, the Older Workers Benefit Protection Act of 1990, the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Family and Medical Leave Act of 1993, the Fair Labor Standards Act of 1938, the Equal Pay Act of 1963, Section 1981 of the Civil Rights Act, and the Worker Adjustment and Retraining Notification Act.

3. EXCLUDED CLAIMS: This Agreement does not cover, and the following claims are not subject to arbitration under this Agreement: (a) any criminal complaint or proceeding, (b) any claims covered by state unemployment insurance, state or federal disability insurance, and/or state workers' compensation benefit laws, except that claims for retaliation pursuant to these laws shall be subject to arbitration under this Agreement, (c) any claim under the National Labor Relations Act, and (d) claims for benefits under a plan that is governed by Employee Retirement Income Security Act of 1974 ("ERISA").

Further, this Agreement also does not cover any action seeking only declaratory and/or emergency, temporary or preliminary injunctive relief (including a temporary restraining order) in a court of competent jurisdiction in accordance with applicable law, so long as that action is brought on an individual basis and not on a consolidated basis or as part of a collective or class action, and subject to the following:

- In the event such relief is sought by a Covered Party, who is not otherwise subject to the arbitration requirements of the Financial Industry Regulatory Authority ("FINRA"), after the court issues a ruling concerning emergency, temporary or preliminary injunctive relief, the parties must submit such claim if otherwise considered a Covered Claim to arbitration pursuant to this Agreement, and
- In connection with any such action related to post-employment restrictions (e.g., actions to enforce rights to trade secrets, or agreements not to compete or solicit customers or employees) on a Covered Party who is otherwise subject to the arbitration requirements of FINRA (absent this Agreement), in order for the Covered Parties to have available to them the expedited arbitration procedures provided by FINRA, after the court issues a ruling concerning emergency, temporary or preliminary injunctive relief, the parties must submit such claim if otherwise considered a Covered Claim to arbitration before FINRA in accordance with its expedited arbitration procedures under FINRA Rule 13804.

4. CLASS ACTION/COLLECTIVE ACTION WAIVER: All Covered Claims under this Agreement must be submitted on an individual basis. No claims may be arbitrated on a class or collective basis unless required by applicable law. Covered Parties expressly waive any right with respect to any Covered Claims to submit, initiate, or participate in a representative capacity or as a plaintiff, claimant or member in a class action, collective action, or other representative or joint action, regardless of whether the action is filed in arbitration or in court. Furthermore, if a court orders that a class, collective, or other representative or joint action should proceed, in no event will such action proceed in the arbitration forum, subject to applicable law. Claims may not be joined or consolidated in arbitration with disputes brought by other individual(s), unless agreed to in writing by all parties or required by applicable law. To the extent there is a question of enforceability of class or collective arbitration, it shall be decided only by a court, not an arbitrator.

The arbitrator's authority to resolve disputes and make awards under this Agreement is limited to disputes between: (i) an individual and JPMorgan Chase; and (ii) the individual and any current or former officers, directors, employees and agents, if such individual is sued for conduct within the scope of their employment. No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration.

I retain the right to challenge the validity of this Agreement upon grounds that may exist at law or equity and will not be subject to any form of retaliation for asserting such rights.

5. ADMINISTRATIVE AGENCIES: I understand that this Agreement does not preclude me from filing an administrative claim or charge with the Equal Employment Opportunity Commission ("EEOC") and/or state and local human rights agencies to investigate alleged violations of laws enforced by the EEOC or those agencies. However, I understand that I am not required to initiate an administrative proceeding before pursuing a Covered Claim under this Agreement. In the event I file such an administrative proceeding, I understand that I cannot pursue Covered Claims under this Agreement without first exhausting all required administrative remedies, such as obtaining a right to sue notice from the EEOC in order to arbitrate federal discrimination claims that require such a notice. By responding to administrative agencies, JPMorgan Chase does not waive its right to enforce this Agreement and the arbitrator shall treat a decision of an administrative agency in the same manner as it would be treated by a court of law.

6. INITIATING ARBITRATION: Arbitration under this Agreement shall be conducted before a single neutral arbitrator of the American Arbitration Association ("AAA")(unless the Parties agree upon another mutually acceptable arbitrator, in which case the arbitration will be conducted before such mutually acceptable arbitrator) in accordance with and selected pursuant to the rules and procedures of the Employment Arbitration Rules of the AAA ("AAA Rules") to the extent the AAA Rules do not conflict with the terms of this Agreement or applicable law. The AAA Rules will govern issues not explicitly addressed by this Agreement. Where there is a conflict between this Agreement and the AAA Rules, this Agreement will govern. Where there is a conflict between applicable law and the AAA rules and/or this Agreement, the applicable law will govern. I understand that arbitration under this Agreement will occur in the state where I am currently or was most recently employed by the Firm, unless otherwise agreed by the Parties. Information about AAA is available from its website www.adr.org. A Covered Party may contact them directly at 1-800-778-7879. A Covered Party who is otherwise subject to the arbitration requirements of FINRA who wishes to pursue arbitration of a Covered Claim, must file such Covered Claim with AAA (or other mutually acceptable arbitrator), except as otherwise provide in Paragraph 3 of this Agreement.

To initiate arbitration:

- A Covered Party must send a written demand for arbitration to any office of the AAA (or if another mutually acceptable arbitrator has been agreed to by the Parties, to the offices of such other arbitrator). The Covered Party submitting the demand for arbitration must also simultaneously send a copy of the written demand for arbitration to the other Party (if being sent to JPMorgan Chase, the copy should be sent to the following address: JPMorgan Chase & Co. Legal Department, c/o Legal Papers Served, 4 Chase Metrotech Center, Floor 18, Brooklyn, NY 11245)
- Both of the following must be included in the demand for arbitration:

(a) A statement of the nature of the dispute, including the alleged act or omission at issue, the names of the parties involved in the dispute, the amount in controversy, if any, the remedy sought to resolve the issue (including the dollar amount, if any), the mailing address for future correspondence and the legal counsel, if any, and
