

ICML 2026 Workshop on Agents in the Wild

Co-located with the Forty-Third International Conference on Machine Learning

June 7, 2026

To Whom It May Concern,

This letter is to certify that Vivek Mishra served as a Reviewer for submissions to the ICML 2026 Workshop on Agents in the Wild, to be held on July 11, 2026 at COEX, Seoul, South Korea, co-located with ICML 2026.

Vivek contributed their time and expertise to evaluate submissions in the peer review process, helping ensure the quality and rigor of the work presented at the workshop. Their reviews were instrumental in upholding the scholarly standards of the workshop, a peer-reviewed venue dedicated to research on autonomous agents operating in realistic, real-world environments.

Their submitted reviews covered the following workshop submissions:

- Full-Season Agent Evaluation in Soybean Farm Operations under Real-World Agricultural Process Dynamics
- Systemic Lock-In and Shutdown Resistance in Advanced Agentic AI Systems

We gratefully acknowledge Vivek's contribution to the success of the ICML 2026 Workshop on Agents in the Wild and confirm that their service as a reviewer is recognized by the workshop organizing committee.
