Special Lecture on Career Opportunities in Computer Science
at Anand International College

[PHOTOGRAPH: Large audience of students attending the lecture in an auditorium]

JAIPUR @ PATRIKA PLUS: Under the Innovation Council of Anand International College of Engineering, a special lecture was organized for Computer Science students on the topic of 'Bridging Industry and Academia' Hybrid Lecture Series. As the chief speaker, Vivek Mishra, an Associate Software Engineer from JPMorgan Chase & Co., a US-based company, shared extensive information with students about future-oriented techniques and the significance of Computer Science. He discussed Computer Science significance and its various applications in detail. Students asked several valuable questions during the session. College Vice Chairperson Monika Mittal Agrawal, Principal Prof. (Dr.) Vijay Kumar Sharma, and Vice Principal Prof. (Dr.) Praveen Agrawal were present on this occasion.
